POLICY

1. School profile

George Street Primary School is a co-educational facility for prep to year 6 students. The school was established in 1958. During 2013 a new principal was appointed, which saw a new direction for the school. This has seen the school more than double in size, along with an improved reputation. George Street Primary School is one of three state schools and four independent schools serving the Hamilton district, a small town in South West Region with a population of approximately 10,000. The school caters for the eastern side of town and has a diverse range of families from various socio-economic backgrounds.

The school is situated on spacious well maintained grounds, consisting of a large oval, basketball court, playgrounds and small lawn area at the front of the school. The school has undergone extensive refurbishment, including demolition and rebuilds from 2015, with a new building erected in the centre of the school in 2020. A state of the art, multi-purpose technology room /teaching kitchen was erected in 2019, as well as the completion of new classrooms, first aid room and staffroom.

Every classroom has interactive TVS, plus iPads and a shared laptop trolley between the junior, middle and senior schools. The school is represented with a strong Koorie community and consults with a Koorie mentor regularly.
