PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at George Street Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

George Street Primary School's front grounds are supervised by school staff from 8:30am until 3:30pm. Outside of these hours, school staff will not be available to supervise students.

Before school, between the times of 8:30am-8:50am and 3:15-3:30pm, the front of the school yard will be supervised by a yard duty teacher, qualified VIT. The backyard grounds will be supervised by education support staff under the direction of the VIT teacher in the front of the school yard. Students are not to play or congregate around the back of the school, staff will direct students to the front yard. The backyard being used as a thoroughfare only.

Parents and carers will be advised through Compass that they should not allow their children to attend George Street Primary School outside of these hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at George Street Primary School are expected to assist with yard duty supervision and will be included in the Yard Duty roster.

The Principal or member of the leadership team or Administration team is responsible for preparing and communicating the yard duty roster on a regular basis. At George Street Primary School, school staff will be designated a specific yard duty area to supervise

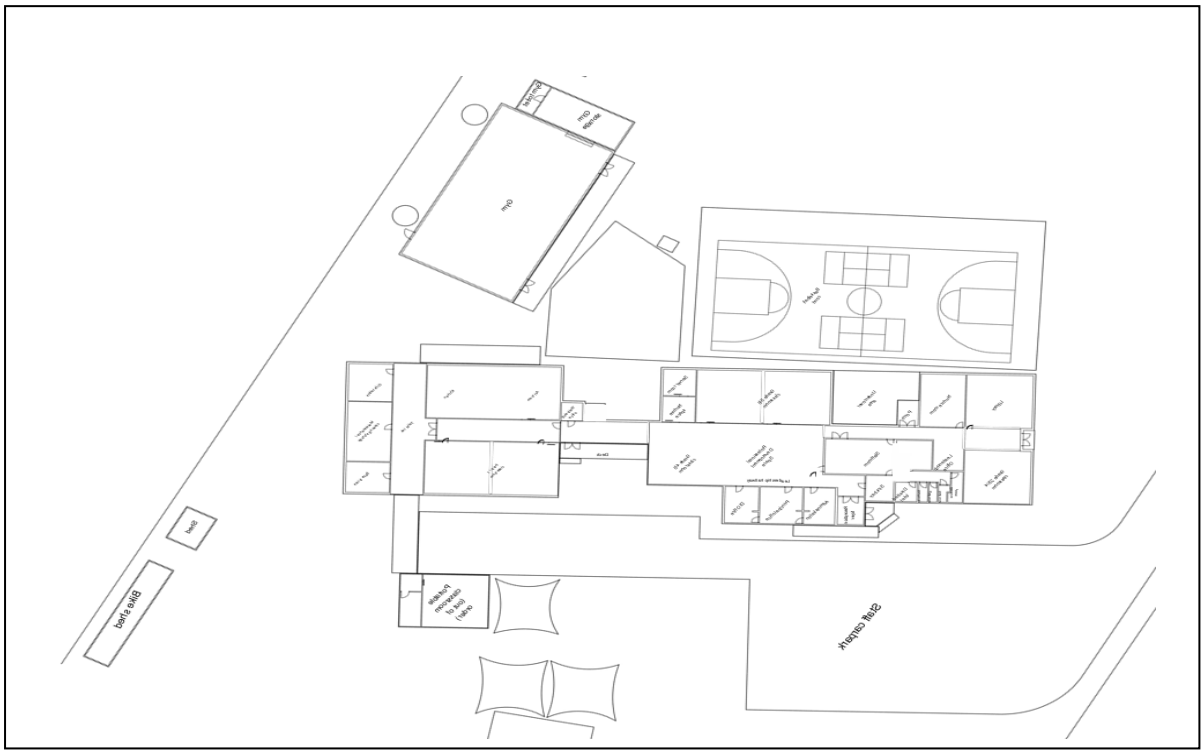

Students leaving school premises

[The principal is responsible for approving any request for a student to leave the school premises, including during recess and lunch time. Students under 18 must have written or verbal permission from a parent or carer. The parent or carer are responsible for communicating this and take responsibility for their children if they having them commute to or from school without adult supervision.

Yard duty zones

The designated yard duty areas for our school are:

Zone	**Area**
Zone 1- Teacher	Oval
Zone 2- Teacher	Basketball court
Zone 3- Education Support	Toilet Link
Zone 4- Education Support	Playground

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the staffroom near the toilets
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staffroom near the toilets
- carry a walkie talkie on all yard duties. These are located on the kitchen bench in the staffroom
- Be familiar with the yard duty information pack containing student health and safety information stored [insert location if your school keeps a pack/folder of any information relating to student health and safety such as frequent absconders, parents who pose a serious risk to safety etc, or delete this point if you don't have this kind of pack/folder]

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students. Continue to rove around the designated zone.

- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Leadership team with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the staffroom (via walkie talkie and arrange a replacement) but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should call a message through on the walkie talkies and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a child leaves the classroom to a designated safe space, the classroom teacher is responsible for monitoring and duty of care. Communicate with student to return in a designated time. This designated safe space must be within vision of the classroom teacher.

If a child leaves the classroom without permission, classroom teacher may send the education support staff to hold a wellbeing conference with the student. If the teacher is required to hold a conference with the student, the classroom teacher will call leadership to take over the classroom lesson so that they may hold a wellbeing conference with the absconding student. Should this not be successful, the classroom teacher will call leadership team or wellbeing tea to support and take over the duty of care of the absconding student.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact a member of the leadership team for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education Excursions Policy.

Digital devices and virtual classroom

George Street Primary School follows the department's Digital Technologies - Responsible Use policy with respect to supervision of students using digital devices.

George Street Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised by any available school staff. (High Abilities Program).

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

[Other areas requiring supervision]

Students accessing the small breakout space (regulation space) are to be under the duty of care of the classroom teacher unless otherwise arranged with the leadership team.

COMMUNICATION

This policy will be communicated to our school community in the following

- Discussed at staff briefings or meetings, as required
- Included in our staff handbook
- Included as a reference in our school newsletter each term
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
